

USP GUN CLEANING OIL™

PRODUCT INFORMATION

USP GUN CLEANING OIL is a unique, versatile, custom-blended gun oil that is ideal for cleaning, lubricating and protecting all firearms.

The special penetrating properties of *USP GUN CLEANING OIL* aid in the safe removal of all types of barrel fouling. *USP GUN CLEANING OIL* gets under hard-to-remove laminated fouling thus making safe removal from the bore surface much easier. When used with *USP BORE PASTE*, the results from cleaning are unsurpassed.

Additionally, the formulation of *USP GUN CLEANING OIL* gives it excellent lubricating properties as well as providing long-lasting protection.
